But ask for courage to endure.
Do not ask for fulfillment in all your life,

Thanks To My Best Friend

I was alone and bewildered
Before you came along.
You directed me in a positive way
And you helped me learn right from wrong.
You taught me to like myself
And you sorted out my mind.
Even when I am upset or angry,
You have always been kind.
You've always been so loyal to me,
You're forever by my side.
When other people deserted me,
Our friendship you've never denied.
The best friend a person could have
Is who you'll always be.
For you've always been terrific
you've really supported me.
Thank you, friend, for everything,
Your kindness and your care.
I am ever grateful
For the friendship that we share.

In memory of John and F.V. '86

Four strong winds that blow lonely
Seven seas that run high.

If I'm ever back this way.

Thanks to all my great friends for the fun, laughter, and memories of the past 4 years! Special thanks to those who helped me "survive": KG and BD — I love you MH '86

— Frank Lebby Stanton

Life is a song of love —
Which every heart must sing;
Life is also a seashore of woes —
We must travel this way too with a smile.
Life is also a riddle —
And a companion through good and bad;
Life is an oath —
That everyone must keep.
Whatever you give, you will receive a hundredfold in return.
If flowers don't grow, you must make do with the thorns.
It doesn't matter if your goal is far,
No matter how difficult the road,
If the way is not lit by stars —
You must start a light within your heart.

A time will come for singing a song
by hearts foretold,
That kings have sought for ages, and
treasured more than gold.
Its lyrics turn to silver when sung
in harmony.
Deep within my heart there lies
this tender melody.
A time will come for playing
that song by hearts foretold
A time for hands to flourish
upon magic keys of old
Each note shall leave behind
a lingering melody
Sweet is my tune my friends provide
the silver harmony
The time is here, the song is playing
deep inside my heart.
I join the race of which now and always
I shall be a part.

FRIENDS FOREVER

—Kermit

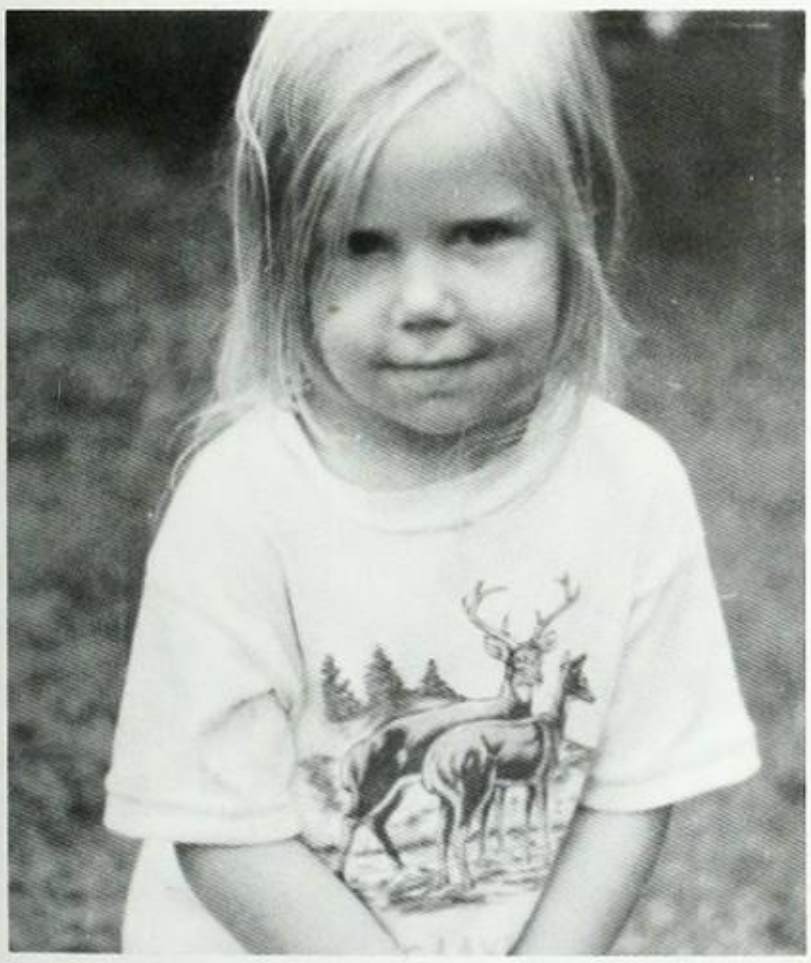
The past four years,
have been unique.
I met two special people,
who I will always keep.

Though others I have met,
and good times we have shared.
They just don't equal,
This pair so rare.

We did it all,
we did it together.
All I ever want,
is our friendship forever.

Times may change,
and so might we.
But I always hope,
that we will always be.

Forever friends me and you,
The times we've spent, seem now too few.
A simple thank you, a simple talk.
For in my mind, an everlasting thought.
Friendships fade, and friendships end,
But we three, together, and forever friends.



When I was 17
I did what people told me
Did what my father said
And let my mother mold me.
But that was long ago
I'm in control
Never gonna stop, control
To get what I want, control
I've got to have it all, control
Now I'm all grown up.

The MSM Varsity Basketball Team had an exciting season this year. Having a great first part of the season and a tough schedule the second half, they continued to battle for a final record of seven wins, seven losses. There was outstanding spirit throughout the season and especially at all the home games. The support of the fans and the parent boosters contributed to the record attendance for all home games. The team consisted of many young players which will provide for a competitive and encouraging team next year. Also, returning for his sixth year as head coach is Mr. Gary Preston and as assistant coach Mr. Jim Shaw. The team song, selected by the student body was "VICTORY" by Kool and the Gang.

Congratulations to our varsity team for a great season and thanks to all the team managers.

The tradition of the Blue Light was upheld this year to the high standards that have been set in the past. Three issues were published, and received high praise from both the faculty and student body. The newspaper's patient and understanding moderator Mrs. Feltges, and the dedicated staff made the editors' jobs much easier. Their accomplishments this year have made all at MSM proud.

SIX-CYLINDER LIGHTNING STRIKES

The new Mercedes-Benz 190E 2.6 is a 158-hp six-cylinder sedan that rivals even the lofty performance ambitions of the exotic 190E 2.3-16. Zero to 55 mph in a scorching 7.2 seconds. Test-track maximum: 133 mph. And as one stint behind the wheel will confirm, its handling capabilities are equally striking. Fostered by what Britain's Car magazine has called "the most advanced steel suspension ever put into volume production" — the Mercedes-Benz multilink independent rear suspension system. The new 190E 2.6 lightning-quick performance is awaiting your test drive.

Anne,

We have <u>alot</u> of memories under our hats!! → Get the "frig" off my car you but lick!, Dancing at the historical museum, driving to Mikes, going to Chi Chi's, chain smoking, doing shots on your back porch, you teaching me how to get around Buffalo & not 2 blacks on a bike are looking to steel a bike, going to the St. Joe's Graduation for 10 min.!!! God, I could go on for days! I think you get the picture! Anne I guess its true, wherever we go we <u>always</u> have fun. I cant wait for the prom to jam & be w/ my man (Joe!) Thanks for being there to screw my head on straight! I couldnt make it w/out you. This summer is gonna be a blast. I'll <u>ALWAYS</u> be here for you OK!

Anne,

You are a frigin' riot! What Spanish class would be w/out you, I don't know! (I usually cry when you're not there - so!) Three more days and I'll be in heaven for approximately 11 hours! I'm so psyched! We can jam w/ cousin Joey!! If you don't call me this summer (837-1822) imagine what's gonna happen the first day of Spanish II! (Yeah, Right!) - We might make it to II. Any way, we definately have to party this summer. Let's go up to Sneaker's or one of those amazing Canadian Bars. You can come to Rochester w/ me one day too!! PSYCH! Well, gotta go, gotta start paying attention!!
